Rideshare in Kandiyohi County

With support from the Willmar Area Community Foundation, Mid-Minnesota Development Commission is proud to support expanded rideshare services for Kandiyohi County residents.

With local rideshare drivers now active in Kandiyohi County, you can book affordable, safe rides right from your phone.

You Can Use Rideshare For:

- Grocery trips and other errands
- Getting to work
- Doctor appointments
- Visiting family or attending community events
- Sunday services or Bible studies

Just download a rideshare app like Uber or Lyft on your smartphone and request a ride when you need one. You'll see the price before you book, and a friendly local driver will pick you up. In-town rides usually range from \$8-\$12

TRANSIT Mobile Device Application

Transit is a mobile app providing real-time public transit data. The app functions in over 175 metropolitan areas around the world. Transit was designed for aggregating and mapping real-time public transit data, crowdsourcing user data to determine the true location of buses and trains. Transit was first released in 2012 for iPhone and soon after launched the Android-compatible version. It offers users schedules and alerts for multiple modes of transportation where available, including bus and rail.

Descriptions and Disclaimers

About the Mid-Minnesota Development Commission: The mission of the Mid-Minnesota Development Commission (MMDC) is to provide technical assistance to government, businesses and local organizations; administer state and federal programs, and coordinate multi-jurisdictional activities to maintain or enhance the quality of life in the Counties of Kandiyohi, McLeod, Meeker, and Renville. The MMDC is a political subdivision guided by a Board of Commissioners from a cross-section of constituents. The Commission receives financial support for its activities from a variety of sources, including local tax levies, federal grants, state grants, and contracts for technical assistance. There are nine active RDCs in Greater Minnesota.

About the Mid-Minnesota Regional Transportation Coordination Council (MMRTCC): The Mid-Minnesota Regional Transportation Coordination Council, or MMRTCC, works to bridge transportation gaps and provide transportation solutions throughout our four-county region, so that all our residents can fully participate in and contribute to community life. We are a collaboration of various stakeholders including healthcare providers, human service agencies, and others who serve people with transportation barriers. Most of our funding is provided by a grant from the Minnesota Department of Transportation.
